Dear all,

I have transferred some more money:

MWH June:
Rent $400 - $55 student contribution = $345
Security = $7
Supervisor salary = $45
----+
$397
- 6x $20 COLT contribution = $120
---+
$277

Building costs classroom CSEP: $2000

CSEP computer classes for July
$70 for the van and $25 for lunch = $95

TOTAL: $2372

Socheat, will you be able to oversee the expenses for the classroom? As discussed with Ratana I need to receive the receipts for ALL expenses. I would prefer him not to travel with the full 2000 USD in cash. Please hand over the money in smaller amounts, depending on the expenses. Please only provide him with more money once you've received a copy of the receipts of the previous expenses. I want to be able to keep a good track of the money and building progress.

Also, could I receive the receipts for the new materials that were bought for the MWH (I transferred $160 with the previous transaction).

Thanks,

Emily

Hello Ratana,

Thank you very much. Is the date on the receipt correct? The date says 12/6/16, saying that you bought this already in June?

I have transferred another 800 USD for the materials for the new building. I based this amount of previous budgets you have sent me;
Approx $400 for all new custom build tables and chairs
$15 for lamps
$30 for two fans
$15 for electrical works
$30 new whiteboard
$15 speaker
$80 new books and pens for students
$20 book cabinet
--+
$605. Then there is still nearly $200 for unforeseen expenditure, in case you need more equipment or learning materials.

This is all there is left in the budget, so please make sure you get everything you need within these 800 USD.

Looking forward to seeing the classroom in December! It looks great! Just hoping the tin roof won't get too hot? Since there are so little windows as well? I'm sure you have thought about this already :)

Let me know if you have any more questions and please send me photo's again of the materials you buy / the tables and chairs that are being built.

Emily

Dear Tola,

Thanks very much for the budget for Nov, Dec and the proposal for the new rice cooker.

I have transferred the following amount to NFC:

MWH November:
Rent $400 - $65 student contribution = $335
Security = $8
Supervisor salary = $45
----+
$388
- 6x $20 COLT contribution = $120 x2
---+
$268

MWH December:
Rent $400 - $65 student contribution = $335
Security = $8
Supervisor salary = $45
----+
$388
- 6x $20 COLT contribution = $120 x2
---+
$268

$50 New rice cooker

TOTAL: $586

Tola, could you please get me the receipt for the new rice cooker? Thank you :)

Socheat, was Ratana able to bring his students for computer classes in October and November? I haven't received any receipts for this if he did. Won't transfer money for computer classes for the next few months, will have a chat about how things are going when I get to PP and can hand over in cash then.

Looking forward to seeing you all next week!

Emily
